

## **MM21 DHC Obtains “Superior Certification” under Yokohama’s SDGs Certification System**

MM21 DHC announced today that it has obtained “Superior Certification” in the third round of certifications offered under Yokohama’s Y-SDGs certification system.

This certification system was established by the Yokohama city government to support initiatives by companies and organizations designed to help achieve the Sustainable Development Goals (SDGs). The initiatives of companies and organizations are evaluated and certified in the four areas of environment, society, governance, and local community. Of the three certification categories (Standard, Superior, Supreme), MM21 DHC obtained “Superior Certification.”

Going forward, the Company will strive to contribute to the achievement of the SDGs under the concept of “SDGs Future City Yokohama.”
